HELLO

Meet the friends of Bibo Bay

Tula the Turtle

Sea turtle · The fruit finder

Tula loves discovering colourful fruit and counting along. When feelings feel big, she shows little ones how to breathe out a slow bubble.

Bob the Fish

Clownfish · The little spotter

In Twinkle Twinkle Little Star Under the Sea, Bob spots tiny lights glowing in the water and calls his friends over to look.

Lumi

Octopus · The song and dance friend

Lumi loves to sing and dance with friends, from wiggly songs in the sunshine to gentle songs under the stars.

For grown-ups

“Screen time is part of childhood. Let’s make it count.” That is how the Bibo Bay channel puts it, and this pack is one way to carry a song from the screen into play.

1. Watch together. Each activity page has a code that opens its video on YouTube.
2. Play the page. Print it, sit side by side and help where little hands need it.
